Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for the Young Street Bridge and Connector Road Project in surface transportation reauthorization legislation.

The sponsor is Morgan City, and the project will be undertaken on Young Street in Morgan City, Utah 84050.

The funding is designated to facilitate the construction of a bridge in order to connect schools, trails, and the County Fairgrounds.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by providing a safer alternative route to and from schools, creating an additional connection to the City's Historical Commercial Street Business District, and improving access to the County Fairgrounds and trails along the Weber River.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
